How to Get a Passport

Power point with accompanying activity sheet

What is a Passport?

- An official document issued by a government, certifying the holder's identity and citizenship and entitling them to travel under its protection to and from foreign countries.

Before You Apply:

- What do you need before you start the application:
 - A digital photo of yourself
 - Someone who can confirm your identity
 - Supporting documents (find the list on the government website)
 - A credit or debit card

The cost is £75.50

The Duration: It takes around 6 weeks to get your passport

The Application Process:

- Go to the government website: <https://www.gov.uk/apply-first-adult-passport/apply-online>
- Click on 'Start your application'
- Answer all the questions
- You will need to send some documents to prove your identity
- Someone else will be asked to confirm who you are
- You will receive an e-mail with additional information
- After your application process is complete, you might need to attend an interview

Class Discussion:

- Do you have a passport?
- What are passports used for?
- Did you ever lose your passport? What did you do about it?
